Annex 4 – Sept 2024

Project Progress Report

Project Name: Recreation Ground (play facilities)

Report Date: 11 September 2024

1) Project Objectives:

This project will:

- Provide Recreation Ground for the residents of Great Alne and the wider community forever.

2) Progress against Plan:

Achievements this period:

- Regular monitoring and checking of recreation ground and assets therein.
- Wetpour repair kit purchased.
- Replacement of 5-bar vehicular and pedestrian gates at main School Road entrance carried out by fantastic team of volunteers.
- Annual inspection report carried out – copy of report awaited.

Actions not completed / deferred:

- Wetpour repair not yet carried out. Following recommendation from SDC, 2 companies have been contacted requesting quotes to carry out the repairs for us. Quote provided by one company – decision needed for us to go ahead.
- Repairs and maintenance as recommended in Annual Inspection report.
- Awaiting spare part for Cradle seat in toddler area. This is being replaced free of charge as it appears it is a known fault.

New Plan Activities:

- Bring all equipment and facilities up to standard prior to embarking on any further projects.

3) Actions for Next Period:

Planned actions for next period:

- Repair of wetpour, and other maintenance needs.
- Tree planting to begin – see separate report.

4) Risks and Issues:

- Not enough volunteers or inclement weather for carrying out planting.
